Web (KAT 2nd Stage) and as Molina's Mother in *Kiss of the Spider Woman*. Kim would like to thank all of the people involved with *Assassins* for being so terrific and supportive these past many weeks.

Stuart Y. Weich (Music Director) is pleased to again be working with KAT after a successful production of *Rocky Horror* in 2004. In his 30 year career, he has musically directed about 100 shows, most recently at RMT and MTA along with KAT. He still enjoys playing for shows as well. In his real life, Stuart is a pediatrician with a large group in Montgomery County. Many thanks to his amazing wife Tina, and his three talented children (Rose, Sam, and Betsy) for letting him out of the house to do this production. He is especially sorry that he is missing Rosie's pit debut as a reed player for her high school's production of *West Side Story*.

Stephen P. Yednock (Giuseppe Zangara) is excited to be a part of this production. He has mainly performed with Goddard Space Flight Center's MAD Productions and recently was in their *Play On!* as well as playing Wayne Frake in *State Fair* this past fall. Some of Stephen's favorite roles include Lt. Munoz (*City of Angels*), Billus (*South Pacific*) and Marcellus (*Music Man*). Stephen would particularly like to thank Craig, Kim and Jenna for allowing him to be a part of this production and for all their help.

Jaclyn Young (Lynette "Squeaky" Fromme) is proud to be making her DC area stage debut here at KAT. A 2004 graduate of the College of William and Mary, Jacki has spent the past 2 years performing throughout the country and in Europe. Favorite roles include Mayzie LaBird (*Seussical*), Queen of Hearts (*Alice in Wonderland*), Fleta (*Iolanthe*), and Gordon the Dragon (Busch Garden's *Land of the Dragons*). She would like to thank everyone here at KAT for making her feel so welcome, and for trusting her to hold a gun and a knife at the same time.
