

The Washington Area Theatre Community Honors (WATCH) is an organization founded for the adjudication and presentation of annual awards recognizing artistic and technical excellence in community theatre throughout the metropolitan Washington, D.C. area, and that these honors will foster and encourage the growth of community theater; promote and enhance the image of community theater; and educate and inform the general public about the theatrical opportunities provided by the member theaters.

KAT became a member of WATCH in 2003, and we received our first nominations this past January (one for music direction, two for featured acting in a musical, one for makeup design).
