*Charley's Aunt*  
By Brandon Thomas

April 9, 2004 - April 25, 2004

This world-famous farce has moved millions to tears of laughter. Jack loves Kitty and Charles loves Miss Spettigue, but the path to love is never easy. Throw in a millionaire aunt who doesn't appear and then does appear, but appearances are deceptive, so you never know who is really appearing, and the laughter just keeps coming all evening long!
