

Log on to [www.washingtontheater.org](http://www.washingtontheater.org) for more details about the Washington Area Theatre Community Honors. KAT received eight nominations in 2004, and Diego Prieto, Luis Molina in this show, took home our first two WATCH awards. Congratulations!

## bios

**Calvert Thompson (Marta)** holds a BA in Vocal Performance from Virginia Tech University. She has performed the national anthem for the NY Mets at Shea Stadium twice, has performed in many Opera Roanoke productions, and played the role of Kate Pinkerton in their production of *Madame Butterfly*. Currently, she is expanding her talents to include songwriting in collaboration with other local musicians. She'd like to thank Kensington Arts Theatre for the opportunity to perform in this production, ushering her back into the acting habit!

**Kim Weaver (Molina's Mother)** This is Kim's second show with KAT, having last appeared as Cinderella's Mother/Evil Stepmother in *Into the Woods*. She has also performed with MAD, RMT, MP, GAC, TCP and PGLT. Kim studies voice with Chrissellene Petropoulos, and for her day job, is a NASA scientist and adjunct professor at Johns Hopkins University. Her first book, *The Violent Universe: Joyrides Through the X-ray Cosmos*, will be in bookstores in May.
