Dear Nate,

On behalf of the National Capital Chapter of the National Multiple Sclerosis Society, thank you for organizing the fourth annual Charity Pong-A-Thon, which raised \$7,593.00 this year. Since its inception, the Charity Pong-A-Thon has raised a total of \$26,440.00 for the National Capital Chapter, helping to promote awareness about MS, while creating a fun environment for young people to make a difference.

The Charity Pong-A-Thon allows young people to gather together to raise money in the fight against MS and promote MS awareness, all while providing a fun and exciting event to participate in. Due to your hard work and dedication the funds you have raised over the last three years have supported many programs for the many thousands of people living with or affected by MS in the Washington, DC metropolitan area.

Thank you again for your time, energy, and dedication to this event. Your effort and dedication every year help us move closer to a world free of MS.

Sincerely,

Kathy Lehman
Senior Development Coordinator

Thank you for all you do for us!
