Mr. Nate Rose
440 L Street, NW
Unit 309
Washington, D.C. 20001-2571

Dear Nate,

On behalf of the National Capital Chapter of the National Multiple Sclerosis Society, thank you for your generous support in organizing the sixth annual Charity Pong-a-Thon fundraiser at Regional Food & Drink. This event, which has become a wonderful tradition, brought over 200 people together for a fun afternoon to raise money for a worthy cause. Thanks to your hard work, \$10,159.00 was raised, which will directly support people living with MS locally, as well as their families.

Over the years, the Charity Pong-A-Thon has raised a total of \$45,021 for the National MS Society by bringing young people together for a fun and exciting event. This money has helped to support programs and services for the many thousands of people living with or affected by MS in the Washington, D.C. metropolitan area. This year's contribution may help underwrite a local education program on symptom management, provide a few hours of respite for a family caregiver, or pay one month's rent for a family in crisis due to the expenses that MS can bring. In addition, the money raised a Pong-a-Thon will also help fund research initiatives that are moving us closer to better treatments and a cure every day.

Again, thank you so much for your commitment to making Charity Pong-a-Thon such a successful event. Your work is truly valuable in the fight against MS. We look forward to working with you next year!

Sincerely,
