Dear Nate,

On behalf of the National Capital Chapter of the National Multiple Sclerosis Society, thank you for your continuous support over the years through the Charity Pong-a-Thon fundraiser at Regional Food & Drink (RFD). In its seventh year, this event is still going on strong, bringing people together for a fun afternoon to raise money for the MS cause. Thanks to your hard work, \$8,579.00 was raised this year, which will directly support the many thousands of people living with MS locally, as well as their families.

Over the years, the Charity Pong-A-Thon has raised a total of \$53,600 for the National MS Society by engaging young people in a unique and exciting way. This money has helped to support programs and services for people affected by MS in the Washington, D.C. metropolitan area, as well as fund research that is moving us closer to better treatments and a cure every day. In addition, Charity Pong-a-Thon has helped raise awareness about the disease to a wide community.

We truly appreciate your commitment to making Charity Pong-a-Thon such a successful event. We cannot thank you enough for your work in the fight against MS. We look forward to working with you next year!

Sincerely,

Farah Lawal Thank you!!!
